

Prayer to Endure Till the End

In the authority of the Renewed Covenant's redeeming BLOOD of Yahushua HaMashiach, and in accordance with YAHUAH'S word that we establish His Heavenly Kingdom on earth, we declare to endure to the end and refuse to accept the mark of the beast abominations physically by COVID vaccine, vaccines or any other means, nor do we accept any mark of the beast abominations spiritually or mentally and we pray in the name of Yahushua HaMashiach that the minds our loved ones be opened to understand the scriptures and the consequences of taking the mark of the beast when it becomes mandatory in this world's wicked system, in order to buy, sell and survive.
